

Capstone Project

From the dataset given to you, find the following that varies from beginner to advance level.

1. Who is the senior-most employee based on job title?
2. Which countries have the most invoices?
3. What are the top 3 values of total invoice amounts?
4. Which city has the highest sum of invoice totals?
5. Who is the best customer in terms of total spending?
6. List the email, first name, last name, and genre of all Rock music listeners, ordered alphabetically by email.
7. Which artists have written the most Rock music?
8. Which tracks have a length longer than the average song length?
9. How much has each customer spent on the best-selling artist?
10. What is the most popular music genre for each country?
11. Who has spent the most on music in each country?
